

# The Open Fuels & Energy Science Journal

Content list available at: [www.benthamopen.com/TOEFJ/](http://www.benthamopen.com/TOEFJ/)

DOI: 10.2174/1876973X01609010143, 2016, 9, 143-144

## RETRACTION

### Retraction Notice

#### RETRACTION

The Publisher and Editor have retracted these articles [1 - 20] in accordance with good ethical practices. After thorough investigations we believe that the peer review process was compromised.
