RETRACTION

Retraction Notice: Air Flow Simulation and Optimization for Negative Pressure Safflower Harvesting Device

Ge Yun*, Zhang Lixin, Han Dandan, Zeng Haifeng and Zhang Xiang

College of Mechanical and Electrical Engineering, Shi Hezi University, Xinjiang, China

RETRACTION

The Publisher and Editor have retracted this article [1] in accordance with good ethical practices. After thorough investigations we believe that the peer review process was compromised. The article was published online on 07-10-2015.
